MISS BEHRMAN DIES IN DAYTON HOSPITAL.

News reached Paris last night of the death of Miss Alice Behrman, a sister of Mrs. J. W. Bacon, of Paris, which occurred late yesterday afternoon at Spears' Hospital, in Dayton, Ky. Miss Behrman was a frequent visitor to Paris, where she had many friends who will sincerely regret to hear of her death.

The funeral will take place Saturday afternoon at the Behrman home in Newport.

INTER-CHURCH WORLD MOVEMENT STARTS HERE.

The large auditorium of the Paris Christian church was comfortably filled last night when the sessions of the Inter-church World Movement, the great denominational religious movement, recently inaugurated, were opened. The conference was opened by the team members at 7:30 o'clock, with a devotional and intercessory period, participated in by a number of speakers. From 7:45 to 8:45 the audience was entertained with an address on "The Foreign and American Survey," by Rev. W. V. Cropper, of Paris, illustrated with stereoscopic views of great interest. From 8:45 to 9:05 Rev. Stockbridge gave an address on "The Kentucky Survey," which was also illustrated with stereoscopic slides. The program for the evening closed with a short address by Rev. W. V. Cropper, on the subject, "The Challenge of The Church." The sessions will be resumed at 9:30 o'clock this morning, with the devotional and intercessory period.

LEXINGTON RACES OPEN TO-MORROW.

The Kentucky Jockey Club will begin a ten-days' race meeting at Lexington to-morrow, continuing through Wednesday, May 5. There are to be seventy races, six stakes and seven races each day. Music for the meeting will be furnished by the All-American Orchestra from the Strand Theatre, of Lexington, which will present pleasing musical features each day.

For the ten days' meeting a total of \$71,000 will be distributed. There is no purse less than \$700, there being eighteen races for that amount. There are thirty-seven races for \$800 purses, and the remaining nine races have \$1,000 each added. The first stake race will be the Hinata Stakes, to be run to-morrow, the opening day, for two-year-old fillies, four furlongs.

The races will be liberally patronized by Paris and Bourbon county people, as is always the custom. The officials announce that the admission price to the meeting this year will be for men \$2.00, with twenty cents war tax added.

REAL ESTATE TRANSACTIONS.

Among the recent real estate deals in Lexington was one wherein Jesse S. and Mrs. Bee Napier, formerly of Paris, transfer to F. W. Bogie, a house and lot at the corner of East Main and Owsley streets, for \$9,000.

Mrs. J. W. Ferguson sold this week to E. L. Ralls, her residence and other property located at Shawhan, this county, and has removed to Paris to reside. Mr. Ralls sold his stock of merchandise at Shawhan to S. A. Snowden, of Winchester, who has taken possession and is now conducting the business at the old stand.

Through the real estate agency of H. L. Mitchell & Son, Mrs. John A. Schwartz sold this week to John M. Stuart, for the reported price of \$8,000 the property at the corner of Main and Eighth streets, at present occupied by Claude Tyree and the Frank Trisler insurance agency. It was stated that the purchaser will raise the old building and erect on the site a modern office and apartment building. The property is very desirable, being conveniently located in the busiest section of the city.

One of the most important deals in real estate or city property made in Paris recently was negotiated Tuesday, when the real estate firm of Harris, Speakes & Harris, sold to Baldwin Bros., the two-story brick store room on Main street, occupied by the Harry Simon Department Store. The price paid was \$35,000. In less than two hours after the sale had been made the purchasers were offered a profit of \$2,500 on their investment, but refused it. Possession will be given January 1, 1921. It is said that Mr. Simon will in the future devote his whole time to the Lexington store.

CAR TURNS TURTLE.

A car owned and driven by Hanley G. Ragan, of Mt. Sterling, skidded on the muddy road and "turned turtle" near North Middletown, about seven o'clock Monday night. Ragan, who was alone in the car at the time, escaped with slight bruises. The car was badly damaged.

STORM DOES DAMAGE IN CITY AND COUNTY.

Damage amounting in the aggregate to hundreds of dollars was done to city and county property by a heavy storm which visited this section Tuesday. Rain fell in torrents, accompanied by hail in some parts of the county. The resulting floods raised the small streams and creeks through the county out of their banks, washing away fencing, damaging tobacco beds and causing a vast amount of damage in other ways. Many places on the pikes were rendered almost impassable, and traffic had to be detoured in other directions.

The storm was especially heavy in the vicinity of the Xalapa Farm, of Edward F. Simms, on the North Middletown pike, near Paris. A large truck belonging to the farm, loaded with colored laborers, bound for Paris, went through a bridge. The men all made their escape, but the truck with its driver was carried down the stream a considerable distance. The driver was rescued from his perilous place. The truck operated on the North Middletown transfer line struck the high waters on the pike, causing it to skid over an embankment. The truck was later rescued, with its load of merchandise. A wall of rushing water washed away about 150 feet of the stone fence in front of the Xalapa Farm. Raymond Fryman, truck driven, was just returning to Paris, when the swift water at that point caught his machine, the engine going "dead," and plunging the car against a fence on the opposite side of the pike. Fryman escaped unhurt. A new tobacco barn on the farm of Frank P. Kiser, near Paris, collapsed under the pressure of high winds and was wrecked. Lightning struck a number of barns in the county, doing considerable damage. Lowlands everywhere were flooded, stock washed away and fencing demolished.

Traffic on the Louisville & Nashville between Maysville and Paris was put out of commission for a time when a bridge near Pleasant Valley, in Nicholas county, went out. The damage was repaired, and trains are now making schedule time. A bridge on the Frankfort & Cincinnati road between Frankfort and Georgetown went out under the rush of waters, causing interruption to traffic between Paris and those points.

The storm was succeeded Wednesday by clear weather, bringing relief in its wake. The streams in the county have about reached a normal stage, and no further damage is feared.

During the heavy rain Tuesday afternoon the iron bridge spanning the creek near the Edward Lewis place in Bourbon county, was washed from its base and carried a half-mile down the stream. Travel from that section was entirely cut off until a temporary structure was placed in position.

POPULAR STAR COMING TO LEXINGTON OPERA HOUSE.

Paris people will remember with keenest delight the appearance in this city some years ago of Mitzi Hajos, the piquant little comic opera star, in "The Spring Maid." They will now have an opportunity to see Mitzi again, her engagement being heralded for the Lexington Opera House, Friday and Saturday, in "Head Over Heels."

Unusual interest among lovers of the best in musical comedy is indicated by the large advance demand for seats for the engagement of saucy little Mitzi in "Head Over Heels." The reports that have come ahead of the star indicate the reason, for it is said that in addition to having the foremost prima donna comedienne of to-day as its star, "Head Over Heels" has been given an unusual cast. The piece is merry merry throughout and the production rich in costuming and scenic beauty in the characteristic Henry W. Savage style. Seat sale opened Wednesday at the box office at the Opera House from 9 a. m. to 12 m. and 1 p. m. to 5 p. m. (adv)

REDRYING PLANT OPENS.

Seventy-five men and women are being furnished employment in the stemming department of the Liggett & Myers tobacco redrying plant, which has reopened. The plant will remain in operation until shortly before the opening of the Paris tobacco market next December. A large brick storage warehouse in which store tobacco will be erected by the Liggett & Myers concern.

BUILDING BEING REMODELED.

Contractors began Tuesday the work of remodeling the building on Main street, occupied by the Fair Store, and the Fair Annex. The buildings were damaged by the fire of several weeks ago, which also damaged other buildings in the vicinity.

"GO GAS" SERVICE STATION COMING TO PARIS SOON.

A new modern "drive in" service station for the distribution of gasoline, oils and kindred motor car necessities is assured for Paris.

The Consumers' Service Station, Incorporated, a concern which has an extensive chain of stations operating throughout the Middle West, have their representatives here now closing the sale of certificates.

Site has been procured for the station at this point through the Harris, Speakes & Harris Real Estate Company.

In constructing and operating its chain of stations the company lays great stress upon the building that pleases the eye, equipment that insures full measure to the consumer, products of high quality and a service that caters to the slightest whims of the motorists.

The company's stations are models of efficiency and attractiveness. The construction department of the concern has adopted a uniform design of building which is unique and which makes it stand out as distinctive. The design is adaptable to any size of building. It is suited as well to the modest station as to the ornate and imposing structure which graces the busy downtown corner of a large city. A black and white checkerboard scheme of exterior decoration adds to the distinctiveness of the stations. A hobby also is made of surroundings of the stations, wherever locations permits, with grass, posts, shrubbery and flowers, concrete driveways connecting with the streets, permit automobiles to drive directly through the station.

It is a boast of the company that it invariably installs in each of its stations the very latest and most improved device for handling gasoline, oils and kindred products, visible pumps always permitting the purchaser of gasoline to see for himself that he gets full measure down to the last fraction of a pint! A double system of strainers insures that the gasoline is free from impurities and foreign substance when it goes into the tank of a car. Many other devices are utilized for the convenient and expeditious handling of petroleum products.

All products marketed at the company's stations must conform to the highest standards of quality. The company believes that the motorist public has become educated to the higher grade of products, and it caters to this demand. Besides "Go Gas," the gasoline which it features, the company markets under its own trademark a full line of oils, greases and similar automobile necessities. The company is distributor in its territory for the Texaco petroleum products of the Texas company, the third largest oil company in the world.

The products, prices and service at all of the company's stations are the same. One of the features of the service is an information bureau, maintained at each station for tourists. Every effort is made to provide motorists with complete and reliable information concerning routes and the condition of roads.

Although the local basket ball season has closed, so far as the teams of the white schools are concerned, the team of the Western High School, or the Paris colored High School, continue to keep the game going. On the floor Monday night the local team suffered defeat by the team from the Russell High School, of Lexington, the score being 4 to 0. A special car from Lexington brought over fifty rooters for the Lexington team.

FRANKLIN COURT GRANTS MRS. DOUG CLAY ALIMONY.

In the Franklin Circuit Court, at Frankfort, Tuesday, Judge Robert L. Stout, after hearing the arguments and reading the evidence, in part, taken in the divorce suit of Mrs. Jane Adams Clay, of Frankfort, against her husband, Douglas Clay, of Paris, entered an order granting Mrs. Clay alimony of \$125 per month pending trial of the suit. The Court also adjudged that the costs should be borne entirely by Mr. Clay. The trial will not be held until the September term of the Franklin Circuit Court. The suit was first filed in the Bourbon Circuit Court, Mrs. Clay being a resident of Frankfort at the time.

COLORED HYPNOTIST GIVES BOY SOME SCARE.

The power of suggestion, as used by hypnotists in their performances, was brought into play the other night in the colored suburb of Ruckerville, when a colored hypnotist was entertaining a circle.

The hypnotist had invited a party of friends to a private performance, when he would give a demonstration of his power to influence the minds of his subjects. A number of amusing stunts were carried through, with more or less success. Finally the performer singled out a likely subject in the person of a fifteen-year-old boy, whom, after placing "under influence," he accused of stealing chickens. The "subject" protested his innocence, but his amazement was unbounded when the "professor" reached under the boy's coat and drew forth a live quail hen. The boy became hysterical and was removed from the room to his home, where physicians had to be called. He was reported yesterday as being in a critical condition. The "professor" disappeared.

THIEVES STEAL HARDWARE

Burglars paid an early morning visit to the hardware store of Lowry & May, effecting an entrance through a skylight in the rear, and dropping to the floor below. The visitors secured a lot of cutlery, including knives, razors, a 22-calibre rifle, and the contents of the cash register, amounting to about three dollars.

The burglary was reported to the police, who took the matter in hand, and are working on the case.

NEW FOAL AT XALAPA

A new foal is reported from the Xalapa Farm of Edward F. Simms, near Paris. Mr. Simms' fine mare Dixie foaled a bay filly by Theo. Cook. The new addition to the Simms' stock is doing well and will some day make a valuable addition to the thoroughbred list.

MR. CAYWOOD TO BE CANDIDATE FOR STATE SENATOR

In a card issued Tuesday, mailed to THE NEWS Wednesday morning, Mr. Henry S. Caywood, of North Middletown, one of the most widely-known and largest livestock dealers in this section of the State, states that he will be a candidate for State Senator from this district, composed of the counties of Bourbon, Clark and Montgomery. The card as issued by Mr. Caywood, is as follows:

"TO THE VOTERS OF BOURBON COUNTY:

"At the proper time I hope to become a candidate for State Senator from the counties of Bourbon, Clark and Montgomery, and I want my friends in Bourbon county not to pledge their support to someone else at this time."

(Signed) "H. S. CAYWOOD."

Mr. Caywood stated that he would be a candidate, but at this time he felt it would be too early in the game to announce his candidacy and lay his claims before the voters requesting their support. He has been a lifelong Democrat, and has been very active in county and State politics. He will make an active campaign when the proper time comes.

PARIS PROBABLY WILL HAVE NEW MOVIE HOUSE.

An interesting rumor is in circulation with regard to the purchase of the Schwartz property at the corner of Main and Eighth streets, which was recently sold through the real estate agency of H. L. Mitchell & Son, to George W. Stuart, John M. Stuart and J. M. Alverson.

This rumor has it that the new owners will utilize the lower floor of the new building which they propose to erect on the site a movie theatre of the most modern and up-to-date character, the upper stories being devoted to offices and apartments. This will give Paris three movie houses, and there should be no dearth of amusement when all three are in operation.

In the Spring Time

Any fool knows enough to carry
an umbrella when it rains, but
the wise man is
he who carries
one when it is
only cloudy.

Any man will
send for a doctor
when he gets
bedfast, but the
wiser one is he
who adopts
proper measures
before his illness
becomes serious.

During a hard
winter or the following spring one
feels run-down, tired out, weak
and nervous. Probably you have
suffered from a cold, the Grip or
flu, which has left you thin, weak
and pale. This is the time to put
your system in order. It is time
for house-cleaning.

A good, old-fashioned alterative
and temperance tonic is one made
of wild roots and barks, without
the use of alcohol, and called Dr.
Pierce's Golden Medical Discovery,
in tablet or liquid form. This is
nature's tonic, which restores the
tone of the stomach, activity of
the liver and steadiness to the
nerves, strengthening the whole
system. First put up by Dr. Pierce
over 50 years ago, now procurable
at any drug store; or send 10 cents
to Dr. Pierce's Invalids' Hotel,
Buffalo, N. Y., for trial package.

**HOW DIPHTHERIA IS CON-
TRACTED**

One often hears the expression,
"My child caught a severe cold
which developed into diphtheria,"
when the truth was that the cold
had simply left the little one partic-
ularly susceptible to the wandering
diphtheria germ. If your child has
a cold when diphtheria is prevalent
you should take him out of school
and keep him off the street until
fully recovered, as there is a hun-
dred times more danger of his tak-
ing diphtheria when he has a cold.
When Chamberlain's Cough Remedy
is given it quickly cures the cold
and lessens the danger of diphtheria
or any other germ disease being
contracted.

**The Whole Secret of
A Better Tire****Simply a Matter of the Maker's Policies**

This you will realize—once you
try a Brunswick—that a super-tire
is possible only when the name
certifies that the maker is follow-
ing the highest standards.

For tire making is chiefly a mat-
ter of standards and policies—cost
plus care. Any maker can build a
good tire if he cares to pay per-
fection's price.

All men know Brunswick stand-
ards, for Brunswick products have
been famous for 74 years.

Formulas, fabrics and standards
vary vastly in cost. Reinforce-
ments, plies and thickness are a
matter of expense. And these vari-
ations affect endurance. It rests
with the maker how far he wishes
to go—how much he can afford
to give.

For there are no secrets nor pat-
ents to hold one back.

To ascertain what each maker
offers one must analyze and test
some 200 tires—as our laboratories
have done.

Then it is a matter of combining
the best features and building ac-
cording to the highest standards.

Once you try a Brunswick you
will understand how we have built
model tires, regardless of factory
expense.

Yet Brunswick Tires cost you the
same as other like-type tires. Our
saving is on selling cost, through
our nation-wide organization.

We realize that you expect more
from Brunswicks, and we assure
you that you get it. ONE Brun-
swick will tell you the story.

And then you'll want ALL
Brunswicks. No other tire, you'll
agree, gives so much for your
money.

PEPSOTONE FOR YOU

Your stomach and liver are probably causing that listless feeling, that nervous headache. PEPSONE Tablets have a friendly way of removing the impurities which cause such ills. 25c. AT YOUR DRUGGIST'S

HOW IS YOUR COMPLEXION?

A woman should grow more beautiful as she grows older and she will with due regard to baths, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these disorders.

THE BEST PROOF

Given By a Paris Citizen.

Doan's Kidney Pills were used—they brought benefit. The story was told to Paris residents. Time has strengthened the evidence. Has proven the result lasting. The testimony is home testimony. The proof is convincing. It can be investigated by Paris residents.

Mrs. J. T. Martin, 1024 Main street, says: "Kidney trouble came on from a fall and the results were very severe, causing me more suffering than the fall itself. No one can ever know what I went through at that time, for I suffered awfully. My back ached and pained until I thought it would break in two. Sharp twinges shot through my kidneys and if anyone had hit me in the back with a heavy axe, it couldn't have hurt worse. In one week after using Doan's Kidney Pills, I felt like a different woman, for they fixed me up in fine shape."

After a Lapse of Eight Years.
Mrs. Martin said: "Doan's Kidney Pills have made a cure for me and it has been permanent."

CATARRHAL DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Medicine. Circulars free. All Druggists, 75c.

CINCINNATI is Captivating

That's what Charles Dickens said of Cincinnati when he was here many years ago. He liked it so well he came back again!

He was particularly struck with the "wonderful hospitality" of the people here.

That was many years ago, but our hospitality hasn't changed any!

You will say we are "captivating" and "wonderfully hospitable" also, after you have spent a time with us. There are many more interesting and beautiful sights to see now than there were in Dickens' time. He didn't see any Zoo, for instance, or Art Museum or Rookwood Potteries, or Union Central Building.

All Dickens saw and much more is waiting for you now. Come and see "Captivating Cincinnati!"

The men of the Christian church were well entertained by the committee selected by Rev. Ellis for that purpose last Friday evening. There were about 120 present to enjoy the music, singing and the sumptuous banquet which was prepared and served by the ladies of the church. In addition to this they held mock trials, at which two of the Deacons were tried and convicted, each of whom were fined an amount equal to one-half of the expense of the banquet. Many of those who attended the trials and assisted in the prosecution, are anxiously hoping that the convicted Deacons will ask and be granted a new trial in order that they may have the opportunity of enjoying another such feast and entertainment.

CO-OPERATIVE GROCERY MOVEMENT.

Heads of sixty-five railroad families residing in Paris were addressed Monday night at the Knights of Pythias Hall by W. H. Fisher and W. H. Smith of Louisville, in the interest of the movement recently started in Paris looking toward the establishment here of a co-operative grocery, meat and provision store.

The aims and objects of the enterprise were explained by the speakers, after which the meeting took up the question of financing the concern. It was proposed to start the store with a capital of \$10,000, and make it a community buying organization. The sum of \$500 was quickly raised among those present, with the promise of as much or more in a short time. The matter of securing a location for the store was left to a future meeting, or until such time as the financial support has been assured.

LOCAL AUTOMOBILE DEALERS FORM ASSOCIATION

In these days of co-operation, organization and federation, when all kinds of business is being merged and consolidated, and banding together for mutual interest and protection, the list has grown steadily. One of the latest in this line is the formation of an association by the automobile dealers of Paris.

At a meeting of the local dealers, held in this city Wednesday, an organization was perfected with R. C. Ruggles, of the Ruggles Motor Co., president, and C. A. Webber, of the Bourbon Garage & Supply Co., vice-president. The object of the association was started as being for the promotion of the collective interests of the members, for co-operation, and for their own protection, especially from the unscrupulous outside competition, whose representatives come to Paris and transact business in this territory without being required to pay the same license that is imposed on the local dealers. It developed during the progress of the meeting that an effort had been made to have the outsiders pay license, but that very little encouragement had been received in that respect. It is the intention of the garage men to see that this competition comes into Paris on the same footing as themselves, and that they will be made to bear their just proportion of the obligations which the local men, who pay taxes and city license here and conduct their business in the old home town have to bear.

If Constipated, Bilious or Headachy, take "Cascarets"

Sick headaches, biliousness, coated tongue, or sour, gassy stomach—always trace this to torpid liver, delayed, fermenting food in the bowels.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing and sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep.

LIKE NEW MAN AFTER MAKING 28-POUND GAIN

Remarkable And Convincing Story of Trutona's Restorative Powers Told By Mr. Lee.

LOUISVILLE, KY., April 23, 1920.—"I'll swear by Trutona and I never expect to be without it again." And why shouldn't I? After I had spent hundreds of dollars for other medicines, one bottle of Trutona did me as much good as all the rest put together. It placed my system in perfect condition and I've gained twenty-eight pounds in the bargain." In his own words, the foregoing is what Trutona, the Perfect Tonic has done for Harry Lee, an employee of the Seelbach hotel, who lives at 1661 Gallagher Street, Louisville.

"Stomach trouble together with the after-effects of an attack of pneumonia caused a general breakdown in my health," he continued, "I became constipated and suffered headaches. My appetite was very poor, it seemed I never wanted anything but a cup of coffee. I didn't sleep well at night."

"Well sir, I weighed only 130 pounds when I began using Trutona but to-day I tip the scales at 159—a gain of 28 pounds. And I feel just like a new man, too. My constipation has been relieved. I haven't had a headache for weeks and my former nervousness is a thing of the past. I'm full of life now, enjoying my work and I know I'm in perfect physical condition. My father-in-law and my thirteen-year-old son also took Trutona and it helped them greatly. My boy's strong and healthy and gaining weight now."

Trutona is sold in Paris at Varden & Son's drug store. (adv)

Thousands of Women

Owe Their Health To

Lydia E. Pinkham's Vegetable Compound—overshadowing indeed is the success of this great medicine. Compared with it, all other medicines for women's ills seem to be experiments.

Why is it so successful? Simply because of its sterling worth. For over forty years it has had no equal. Women for two generations have depended upon it with confidence.

Thousands of Their Letters are on our files, which prove these statements to be facts, not mere boasting.

Here Are Two Sample Letters:

Mother and Daughter Helped.

Middleburg, Pa.—"I am glad to state that Lydia E. Pinkham's Vegetable Compound did me much good when I was 35 years old. I was run down with female trouble and was not able to do anything, could not walk for a year and could not work. I had treatment from a physician but did not gain. I read in the papers and books about Lydia E. Pinkham's Vegetable Compound and decided to try it. The first few bottles gave me relief and I kept on using it until I got better and was able to do my work. The Vegetable Compound also regulated my daughter when she was 15 years old. I can recommend Lydia E. Pinkham's Vegetable Compound as the best medicine I have ever used."—Mrs. W. YERGER, R. 3, Box 21, Middleburg, Pa.

"There's Nothing Like Tanlac" Declares Clarence—Suffered Six Years.

"I count myself lucky that I got Tanlac, for since I began taking it I have gotten rid of a case of indigestion that had followed me for six years and have gained eighteen pounds in weight besides," was the statement made a few days ago by Clarence E. Hall, a well-known employee of the Goodrich Rubber Company, living at 651 Bowery street, Akron, Ohio.

"For years," said Mr. Hall in explaining his case, "I could not eat any breakfast, and if I ate any supper I would just fidget about all night in such misery that I could hardly get any sleep. After meals the worst kind of pains would start up in my stomach, and then get into my chest and around my heart, almost cutting off my breath. Sometimes my heart would beat and palpitate at such a fearful rate as to make me think I had heart trouble."

"But stomach trouble is not the only thing Tanlac has relieved me of, for I had rheumatism in my legs that hurt like a bad toothache. I could not stoop over and straighten up without just suffering agony, but since taking Tanlac I never feel a rheumatic pain. I used to get so nauseated that I could hardly retain anything I would eat and I lost weight and strength continually. I was troubled with dizziness so bad that at times my head seemed to be spinning around like a top, and I was so weak and tired all the time that I never felt like doing a lick of work."

"During the past two years I have been under treatment several times and tried numbers of different medicines, but never found anything to help me until a friend of mine who had taken Tanlac persuaded me to try that medicine, and then I commenced to straighten right up. All signs of stomach trouble and rheumatism soon left me and I enjoyed fine health until about a year later, when I was taken down with typhoid fever. This spell, of course, left me in a weakened condition and with occasional touches of indigestion. So I began taking Tanlac again, knowing so well what it would do, and in a few weeks' time I was on my feet in good shape. My appetite was never better than it is now and I am eating three rousing meals a day without the least trouble with my stomach. I sleep like a school boy for ten or eleven hours a night and that tired feeling has left me entirely. In fact, I have never felt better than I do now, and if I ever need medicine again I shall certainly take Tanlac. There's nothing like it."

Tanlac is sold in Paris at the Peoples' Pharmacy.

YOU see it in some of your friends—most of them. Feel it when you meet. Remember it after you part. It's an indefinable impression that lingers. The reason why is hard to check up. But this is sure—most of it is what you see, the *tout ensemble*.

Your friends are like you—they remember most what they see when they meet you. And this is even truer with the strangers you meet. They *think*, though they may not say a word, of the things they see—your appearance. Better come to Louisville.

He will deliver a Masonic lecture in the lodge room this evening at 7:30 o'clock, after which he will confer the Palm and Shell degree on all who may desire it, giving it as he received it in the Orient. Rev. Coleman has spent many thousand dollars in his study of Masonry, and was a co-worker with the famous Rob Morris, whose name is familiar with Masonry.

—Supt. Colvin, State Superintendent of Public Instruction, delivered an address at the M. M. I. Hall, Monday evening, in the interest of the new Graded School, which will open at the M. M. I. next September, the county having purchased the property. Notwithstanding the inclement weather there was a good audience present. Rev. W. W. Morton, pastor of the Presbyterian church, presided over the meeting. The meeting opened with a prayer by Dr. Fisher, president of the M. C., followed by an address by Mr. O. E. Hurst. Mr. Hurst reviewed briefly the work of Col. and Mrs. Best in Millersburg, calling attention to the conditions of the property at the time they took charge of it, when purchased by them from the K. W. C. Board. How through their efforts, the property had been built up and made what it is now. How the school started as the M. T. S., calling attention to the ever memorable barbecue, given in the woods of the late Mrs. C. C. Clarke, after which time the M. M. I. was started, closing his most appropriate address, with a beautiful tribute to Col. and Mrs. Best. Supt. Colvin delivered the address of the evening, which was indeed good, calling attention to the changed condition of the times, the necessity of free school education, the necessity of bringing all classes together into one common body, in order that in the future they might be the bone and sinew of this great commonwealth, explaining the new State laws on education passed by the last Legislature. Many of our people, in fact,

most of us, were under the impression that the property was purchased with the view that the county High School would be conducted here. Mr. Colvin led us to believe that it would be for this district and didn't speak of it as a County High School, and that perhaps the Paris High School would be in advance of this district, and that we might serve to that extent as a feeder to that school. However, it was good, and the opposition to the purchase of the property by the county, which was manifested here immediately after the sale, is rapidly passing away. By the time the new school opens the most of our citizens will be ready to give it a hearty welcome.

Carry The Country With Cox

Cox Can Win

Kentucky Democrats, you are asked to send delegates to the San Francisco Convention pledged to nominate a man who can win.

That man is James M. Cox, Governor of Ohio.

Here is a candidate whose record as a vote-getter is known.

Three times he has been elected Governor of the normally Republican State of Ohio.

Twice he was elected to Congress by big majorities over strong opposition.

He has been a winner in business, too, by his own merit and courage.

There is nothing in his record that should alienate a single Democratic vote.

There is much in his record that will command thousands of Independent and Republican votes.

His popularity was a big factor in putting the pivotal State of Ohio in the Democratic column in 1916.

Ohio's electoral votes are needed this year; he can swing them.

What other Democratic candidate can?

The Cox Movement in Kentucky is backed by citizens who see in the nomination of Governor Cox Democracy's best chance for victory in State and Nation.

It is simply an effort to put Kentucky Democracy behind the one man who can win in November and, to insure success, all factionalism should be avoided and representative Democrats of character, intelligence and independence should be elected as delegates.

GOV. JAMES M. COX OF OHIO
Born on a farm March 31, 1870.

Educated in country school and high school.
Worked as farmer boy, newsboy, printer's devil and reporter.
Owns and publishes Dayton Daily News and Springfield Daily News.
Elected to Congress in 1909 and 1911.
Elected Governor of Ohio in 1912, 1916 and 1918.

Cox Is Worthy

Kentucky Democrats, you are asked to send delegates to the Democratic National Convention instructed to nominate a man who is worthy to sit in the White House.

You are asked to use your influence for the nomination of a self-made man, one who personifies the best traditions of red-blooded Americanism.

—A man, who, born on a farm, without favoring conditions, has risen from newsboy and printer's "devil" to reporter, from reporter to editor and publisher of two great papers.

—A man, whose neighbors, who know him best, have called him three times to the highest office in their State.

—A man whom no interests have been able to swerve from what he considered to be his plain duty.

—A man who adjusts differences between capital and labor without resort to troops.

—A keen business man who says "profiteering is the result of conditions carrying opportunity, if not preference, to one individual or class over another."

—A normal American, neither reactionary nor radical, the kind of man who will restore normal conditions in a normal, American way.

Such a man is James M. Cox, the man who can win.

COX HEADQUARTERS
have been established in Rooms 1, 2 and 3, The Seelbach, Louisville, where Democrats who want to see a winner nominated will be welcome. Come in, write or telephone.

Send Cox Delegates to the State Convention

Democrats, if you want a winner as your Presidential candidate, if you want to see Democracy triumphant, attend the mass conventions in your county seats at 2 o'clock, Saturday afternoon, May 1, and vote for delegates who will insist on a Cox delegation to the San Francisco Convention.

Women, who will cast their votes in November, are entitled to representation and are urged to attend these conventions.
